

# MARBLE DREAM<sup>®</sup>

## RESURFACING KIT

# Your Marble. Your Style.

Covers  
Up to  
**40**  
sq.ft.

The luxuriously soft look and feel of marble is yours with Marble Dream<sup>®</sup>, a new stone coating system engineered to be applied easily using just a few simple coating steps – **with no special artistic skill required.**

The Marble Dream kit gives you unmatched versatility and a choice of several different looks. From softly elegant marble veins and accents, to something more distinct and defined – or a look that's more flowing and creative – create a new surface with just the look that suits your taste. Everything you need is right here to create stunning results. **Just follow the simple directions.**

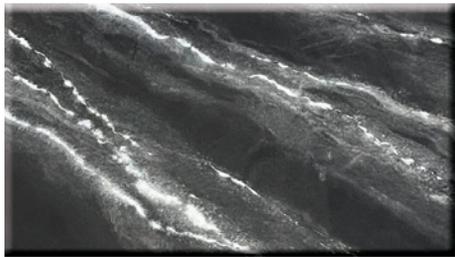

**SAVE THOUSANDS**  
compared to installing marble slabs costing \$3000 - \$8000 or more.

- **Real marble formula**
- Authentic marble beauty
- As easy as painting - **and done in a weekend!**
- Excellent stain, heat and impact resistance
- No complicated tools or skills required
- For countertops, vanities, tabletops, bar tops, and more.
- Resurfaces laminate, concrete, plywood, MDF, stone, pre-coated and solid surfaces
- **Complete kit with all coatings and tools**
- Low odor, low VOC, food safe
- No countertop removal or plumbing headaches
- **No construction - just renew what's already there!**

**PICK YOUR FAVORITE COLOR SCHEME AND FINISH STYLE – CUSTOM INSTALLED BY YOU**

Cosmos Black

Pristine White

**Marble Dream is as easy as painting – BUT it's not paint**  
It's a finely blended marble coating system that renews countertops and much more.
